

PUBLIC LEDGER

WEEKLY REPUBLICAN—1867.
DAILY PUBLIC LEDGER—1895.

MAYSVILLE, KY., FRIDAY, SEPTEMBER 17, 1909.

ONE COPY—ONE CENT.

PASS IT ALONG.

Maud Muller on a summer day
Raked the meadow sweet with hay,
Then chugged the Judge upon the scene
And scented things with gasoline.

—Puck.

He sped with her down the lane—
She begged him to his speed restrain;
And when he asked her why, quoth she
"You're just a bit too fast for me."

—Boston Herald.

The Judge at Maud began to scoff—
If truth be told, was "showing off."
The auto tried to climb a fence—
The Judge has not presided since.

—Birmingham Age-Herald.

But ere they made their get-away
The Judge said: "Would I were that hay!"
Said Maud, without a pause or break:
"You're next thing to it, you're a rake."

—Houston Post.

"I will not further go," said Maud,
"Unless we wed." He cried, "On Lord,
On joy rides that will put the lid—
I've got one wife; so, ta-ta, kid."

—Hopkinsville New Era.

The Judge's wife, she then got next:
He caught a sermon from a red-hot text;
She hunted up Maud, and well did soak her;
Then took up her "res." in North Dakota.

—Todd County Times.

But what cares Maud? She rakes away;
In the scented meadow, sweet with hay,
She dreams of the rides to come, but fudge!
She loves her "paw"—but oh, you Judge!

Rose Stahl, appearing in JAMES FORBES' comedy, "The Chorus Lady," in a recent interview has much to say of interest to those

opposed to Woman's Suffrage. Miss STAHL, among other things, said:

Rose Stahl on Woman's Suffrage

"The eternal feminine is the inspiration for uplift in every community; its most powerful element—woman—always dominates, but only so long as she remains feminine."

"When a woman ceases to be feminine she loses her influence. She is a freak, and the hand of every man is against a freak. I was in Denver during the recent election, and what I saw convinced me beyond all further doubt that woman's participation in politics was a disastrous thing for her. Fancy the nice, sweet, dainty women coming in carriages to election polls, and all around them were men smoking black cigars nearly a foot in length."

"Do you think one of those men took off his hat? No, indeed. They continued to smoke and stare vulgarly at the women. Why, it made me shiver with disgust. Fancy a woman deliberately permitting herself to come in contact with such riff-raff. Is it necessary for her to know about the sordid, acrid sort of life? Surely there are better ways of reforming than that. Why should women undertake to act as policemen toward men, anyway? But they do, particularly married women toward their husbands. Instead of remaining within their own spheres trying to make the most of themselves as wives and mothers, they forget their feminine roles in their panting desire to pose as reformers. Women expect too much of men and men expect too little of women; and that is the root of the whole trouble."

A MATRIMONIAL BARGAIN.

He—"Why did you marry me?"
She—"Well, honey, you looked so cheap when you proposed that I couldn't resist the bargain."

"Baby's Never Ill"—Remedy FREE

Summer after summer Dr. Caldwell is in receipt of hundreds of letters from mothers all over the country thanking him for keeping their children in good health these hot days. The way is simple for any mother. If the child breaks out with sores, if it scratches itself, if it has no appetite and doesn't sleep well, if its bowels are constipated or too loose, do not become alarmed, but try a dose at bedtime of DR. CALDWELL'S SYRUP PEPSIN. There is no remedy so effective in the digestive ailments of children, and so well liked by them for its pleasant taste and non-gripping, than this very same DR. CALDWELL'S SYRUP PEPSIN. Ask the druggist who has your confidence and he will tell you that more mothers are buying this remedy today than any other. It is not to be compared to the ordinary laxative, because this contains tonic properties that help to build up the child; nor is it to be compared to salts and purgative waters, for they do but temporary good, nor to tablets or pills, which often gripe and are difficult to take. It is especially the right remedy for women and old folks because of its gentle action. Your druggist will sell you a bottle for 50 cents or \$1.00, according to size.

Those who have never yet used DR. CALDWELL'S SYRUP PEPSIN and would like to make a test of it before buying in the regular way of the druggist, can obtain a FREE SAMPLE BOTTLE either for themselves or any member of their family by sending name and address to the doctor. The sample will be sent to your home free of charge. In this way you can find out what it will do without cost. Also, if the case presents difficulties that doctors and other remedies seem unable to overcome, write a letter to Dr. Caldwell explaining how the person suffers and he will give you his best MEDICAL ADVICE, based on half a century of experience in stomach, liver and bowel diseases, without charge. Women who have children should send for "MOTHER'S SUGGESTIONS TO NUTRITION," containing the doctor's advice on diet, hygiene, etc., in hot weather—a very important subject. The address is Dr. W. B. Caldwell, 507 Caldwell Bldg., Monticello, Ill.

Attorney W. H. Rees met with an unfortunate and painful accident last evening about 6 o'clock. He was out horseback riding with a company of ladies and gentlemen and when near the Lawrence Creek bridge his horse stumbled and threw him to the ground. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. Strange Idiosyncrasies and Opinions of Some Gray-Haired People and Those Affected With Scalp and Hair Trouble.

New York City sends out more salesmen, twice over, in all probability, than any other city in the world. At an annual banquet given by a big firm to its salesmen there were present some two hundred gray-haired and bald-headed salesmen. It was a subject of mournful discussion among them that the firm was commencing to prefer younger men. One old patriarch, grown gray in the service, remarked to several gathered around him: "Here I am doing as good if not better work than I ever did in my life; yet, because I am commencing to show my age, am slated for the 'has been' division. I wish I knew of something that would turn my hair to the color of that of a lusty man of thirty." "Why don't you use Q-Ban Hair Restorer?" suggested one of his audience. "My friend," answered the old fellow, "I once visited the plant of a big patent medicine firm. On my way through one room, I asked one of the employers what they put up there. 'Hair Restorer,' I was told. Well, I want to say that among the employees working in that room I never in my life saw together so many gray-haired and baldheaded people." "All right," replied the other, "I have a good head of fine brown hair, haven't I?" Well, my hair three months ago, before I came with this firm, was a fine old iron gray. I used Q-Ban Hair Restorer, you see the result, and the owners of Q-Ban Hair Restorer agreed to refund me my money if it didn't do a fine old iron gray. My wife used Q-Ban Hair Tonic and it has cleared her scalp, stopping her hair from falling out, and I'll bet its increased the length six inches." "Where can you get it?" "Oh, at any drugstore, and the druggist will back up the guarantee."

"J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair is commencing to fade you can have the first full size 50c bottle by sending 12c in postage to the Hessig-Elis Drug Co., Memphis, Tennessee."

BARN BURNED

Immense Structure and Contents Near Orangeburg Destroyed Yesterday Morning

The large tobacco barn on the farm of Mr. Henry Day near Orangeburg was totally destroyed by fire Thursday morning about 1 o'clock, together with 10,000 pounds of newly housed tobacco. The structure was 100 feet square and was one of the largest in Mason county.

Mr. Day was housing newly cut tobacco in the barn Wednesday, using a gasoline engine to pull the sticks up to the high tiers, and when he ceased work for the day he left the engine in the barn, as customary. Unless the fire was caused from the engine it may have been fired by unknown parties.

A large lot of farm implements were burned, making the total loss over \$3,000.

REPUBLICAN MEETINGS

In Mason County Precincts—County Convention Tomorrow

The City Precinct meetings yesterday to name candidates to be presented at the Republican Mass Convention to be held in the Courthouse in this city Saturday were not largely attended and little enthusiasm manifested. The following is the result by Wards—

First Ward—James Stewart, for Magistrate. Second Ward—James M. Collins, (Clerk); Judge; A. M. January, Circuit Court Clerk; Shelby M. Blatterman, County Clerk; B. Wood, Jailor, and James Stewart, Magistrate. Third Ward—No meeting. Fourth Ward—John W. Boyer, Magistrate, and W. C. Chisholm, Constable. Fifth Ward—L. T. Gaebke, Magistrate, John W. Boyer, second choice, and M. C. Chisholm, Constable. Sixth Ward—Uninstructed.

All known Republicans were appointed delegates to the Mass Convention.

The remaining Precincts in the county outside of Maysville have not yet been heard from. Many of them send uninstructed delegates to the County Convention which meets at the Courthouse in this city tomorrow afternoon at 2 o'clock.

ALL RECORDS BROKEN

By 1909 Crop Reports—Unprecedented Yield of Farm Products

The Government crop report for August furnishes a genuine surprise in its estimates of 432,920,000 bushels of winter wheat, whereas a month ago but few estimates based on the Government's report on condition and acreage were for a crop of more than 400,000,000.

The indications are for a spring wheat yield of 292,000,000, which is about in line with expectations, the July report having indicated a crop of 294,000,000.

The combined crop of 725,000,000 bushels is the third largest in the history of the country, compares with 664,602,000 last year, and accounts for the downward course of wheat prices during the past two months.

The report on corn shows some deterioration, the indicated yield being lowered from 3,117,572,000 bushels a month ago to 2,945,000,000. The indicated yield, however, is larger than any crop ever grown. The indicated oats yield is a record breaker.

Figuring the indicated yield of the leading crops at ruling prices on the Chicago Board of Trade gives a value of \$3,102,100,900, or a new record. The value of the wheat crop figures to be worth \$717,963,460, compared with \$616,800,000 last year. The corn crop is worth \$1,894,252,500, against \$1,616,145,000. Conservative estimates place this year's products of the farm at a value of \$8,000,000,000, which is far ahead of any year in the country's history. Such an output is bound to furnish considerable stimulus to the wave of prosperity which is being set in motion all over the country.

YES!

IT DOES MATTER
Where You Buy
Clothes!

To conduct the BEST clothing store wouldn't be very greatly worth while unless it DID make a difference to you—to every man—WHERE clothes were bought. For, you see, there are a lot of careless men in the world who undervalue the importance of correct models and materials in clothes—and there are a lot of clothes made for that kind of men. None of them are sold here—not ever.

WOMAN SUSPECTED

Of Complicity in the Walton Incendiary Fire

Captain V. G. Mullikin returned with his bloodhounds to Lexington from Walton, they having been engaged in the hunt for the firebug who destroyed the home of John Ransler at Richmond Station.

Captain Mullikin says that through the work of the dogs he is satisfied that a certain woman is implicated; that a detective has been put to work on the case and that he will go back in a day or two to give further aid.

The Maysville bloodhounds were also employed in the case.

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the urine is dark, foul-smelling, irregular and attended with pain, procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Maysville citizen.

Mrs. Elmer Bridges, 206 West Third street, Maysville, Ky., says:

"I consider Doan's Kidney Pills an excellent kidney remedy and one that deserves a trial by anyone afflicted with disordered kidneys. I was subject to attacks of kidney complaint from childhood, and as I grew older the trouble became more severe. In my efforts to find relief I used remedy after remedy, but obtained no benefit until I began using Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore. They proved to be just what I needed, going directly to the seat of my trouble and entirely relieving me. I always keep a supply of Doan's Kidney Pills on hand in case I have a return of the trouble."
